## 2021-22 Season COVID-19 Vaccination Policy

Adopted: July 15, 2021

Musica Sacra Foundation (“Musica Sacra”) takes the health and wellbeing of our vocal and instrumental performers extremely seriously.

In an effort to maintain a safe and healthy environment for all who perform with Musica Sacra, the Board of Directors has voted unanimously to require that all performers, volunteers, temporary workers and independent contractors be fully vaccinated against COVID-19 prior to participation in any Musica Sacra in-person activities, including rehearsals or performances for the 2021-22 season. This policy takes effect immediately.

Due to the higher risk of the spread of respiratory illness associated with the activity of singing, and because participation in Musica Sacra is voluntary, no exemptions or accommodations to this policy will be granted. Individuals who are not in compliance with these requirements will not be permitted to rehearse or perform with us this season.

Written assurance of vaccination status is required, and may be provided by any of the following methods:

- Written proof of vaccination from the vaccine administrator
- CDC-issued Vaccination Card
- Signed “Statement of Affirmation of COVID-19 Vaccine Status” (See our Chorus Manager for a copy.)

For purposes of this policy, individuals are considered “fully vaccinated” two weeks after completing the second dose of a two-dose COVID-19 vaccine (e.g., Pfizer or Moderna), or two weeks after receiving a single dose of a one-dose vaccine (e.g., Johnson & Johnson).

This policy is designed for use together with, and not as a substitute for, other COVID-19 prevention measures which we may implement, including: wearing of masks, social distancing, temperature checks, health screening protocols, cleaning and sanitation, or any other COVID-19 prevention policies or protocols. In addition, our existing requirement to stay home if you are feeling ill, or if you have reason to believe you have been exposed to COVID-19, remains in effect.

Musica Sacra reserves the right to modify this policy at any time in its sole discretion to adapt to updated public health guidance, changing local circumstances, or evolving organizational needs, consistent with its commitment to maintaining a safe and healthy performance environment.
